## FAMOUS FAILURES.....

“I have missed more than 9,000 shots in my career. I have lost almost 300 games. On 26 occasions I have been entrusted to take the game winning shot, and I missed. I have failed over and over and over again in my life. And that is why I succeed.”

Michael Jordan

Was fired from his job, because he “lacked imagination and had no good ideas”

Walt Disney

# Thomas Alva Edison

Thomas Edison defined failure as data. When developing the electric light bulb, his relentless [trial and error](#) meant thousands of unsuccessful filament tests. Instead of quitting, he treated each misstep as a necessary discovery to refine his ultimate breakthrough.

## Related Thomas Edison Quotes:

- "I have not failed. I've just found 10,000 ways that won't work."
- "Many of life's failures are people who did not realize how close they were to success when they gave up."

# Steve Jobs

Steve Jobs' most famous failure was being publicly ousted from Apple in 1985. Instead of quitting, he used this setback to start NeXT and fund Pixar. This period of being a beginner again freed his creativity, eventually paving the way for his triumphant return and Apple's monumental rise.

"Sometimes life is going to hit you in the head with a brick. Don't lose faith." — Steve Jobs at Stanford Commencement Address, 2005

“If you are encountering failures along the way, just know that you are on the right path.”
